

President's Message

Dear Members

Starting from the ASHRAE Thailand Chapter Charter night in March, 2000, now is coming to the eighth year of Thailand Chapter to continue our activities for serving both our members and Thailand RHVAC society. I would like to thank for all the past presidents, BOGs, and committee chairs, who volunteer to enhance RHVAC knowledge for our members and Thailand RHVAC society. With their long-standing experience and contribution, we believe that knowledge sharing will strengthen our next generation to be the leading standard within this 13th region

This year ASHRAE society established more solid direction to promise a sustain future. In line with the updated mission, ***“To advance HVAC&R technology to serve humanity and create a more sustainable future”***, ASHRAE vision 2030 has been announced with new goal of ***“Achieving market viable net-zero energy buildings by 2030”*** by initiating ***“Tools for NZEB by 2020”***. To ensure this progress, ***“Goal for ASHRAE Standard 90.1-2010 targeted to Achieve 30% energy reduction when compared to 90.1-2004”*** was established. Obviously this is an exciting time to be an ASHRAE member to see how ASHRAE energize the world.

For ASHRAE Thailand Chapter this year, we are proud to be our first organizer for ***“The 9th Asia Pacific Conference”*** as a key event for 13th region, which focus ***“On the Built Environment Sustainable HVAC&R Technology”***. Over 30 new technologies from various Asia and Middle East countries will be publicized during November 22-23, 2007 at the Grand Hotel. Thailand Chapter would like to thank for our past president, Khun Jintana Sirisantana, and Dr. Chirdpun Vitoonraporn in leading this event organizing.

Also we continue enhancing for more technical seminars with the best contribution from our Chapter Technology Transfer committee team, leading by Khun Chartchai Pisuttiboriboon. Moreover our membership promotion chair plans to contact directly to all members to ensure the receipt of knowledge benefit. With longer year of Thailand Chapter, history record is planned to be reorganized for future reminding of our past moments. And to refresh our chapter, young generations have been stepped in our committee chairs and ready to move Thailand Chapter forward in future. I would like to thank our immediate past president, Khun Apichit Lumlertpongpana, who strengthened Thailand Chapter over last year and special thanks in advance for our new President-Elect, Khun Uthai Lohachitranond, who dedicate to activate Thailand Chapter in the year after. Finally for the most importance, Thailand Chapter appreciates long-standing advocate of all sponsorship.
